

## EXAMPLE OF COLOR CHANGE FOR BLUE PVDF-Based Coatings

Original Color	$\Delta E$ Color Change (Hunter Lab)
	$\Delta 1$
	$\Delta 3$
	$\Delta 5$
	$\Delta 7$
	$\Delta 10$

### NOTES

The color change is in the lightness direction (L).  
The color represented is not intended to depict an available shade of Kynar® resin-based paint.  
*The color change depicted is for demonstration purposes only and may not be 100% accurate due to printing process limitations.*
